*Current Customer Base

> **Its diverse talent base, thriving start-up sector and concentration of big tech firms make it the ideal location from which to grow our European operation**

Why Ireland?

>World-Class Talent:
IMF ranked Ireland #1 globally for skill readiness.Highest STEM graduates per capita in the EU among20-29 year olds.

>Tech Ecosystem:
16 of the top 20 global tech firms in Ireland. Meta,Google, LinkedIn and Airbnb all hold their EuropeanHQs in Dublin.

>EU Gateway:
The only native English-speaking EU member –seamliess single market access and a trusted GDPRregulatory base.

>Pro-Innovation Policy:
12.5% corporate tax, 30% R&D tax credits, and Ireland's Digital & AI 2030 Strategy align with Anthropic's mission.

>Executive Depth:
A proven pool of leaders experienced in scaling businesses across the EU – critical for Anthropic's EMEA ambitions.

Scaling Managed Agents: Decoupling the brain from the hands

Harnesses encode assumptions that go stale as models improve. Managed Agents—our hosted service for long-horizon agent work—is built around interfaces that stay stable as harnesses change.
